

Government of Rajasthan
Justice Department

No.F.1 (10)/Meeting /Justice/2013 Part/359

Date 27-8-2015

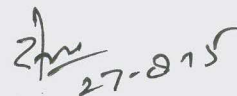

Circular

During the critical review-meetings of the progress made in court-cases by the various Departments, it has come to the notice that there are many Departments which have ceased to exist now. And, at the same time, many new Departments, Boards, Corporations and Authorities have come into being lately. The Units / Departments on the web-application LITES (www.lites.rajasthan.gov.in) were uploaded in 2005 when the Justice Department came into being.

Ever since there has been no updation of the names of the Departments (Units) on the LITES. Hence there is a need to ensure as to which Departments exist today must also be the same on LITES in number and names.

The Units / Departments – list on LITES is being sent through the email for your perusal & check. If there is any mismatch, the correct & existant names of the Department need be sent to the Justice Department.

You are, therefore, requested to send the correct and existant list of the Departments through **excel sheet** on the e-mail-ID of the Justice Department (Justice-deptt@rajasthan.gov.in) latest by 9/9/2015.
